

Pace:

You have to keep a steady, fast rhythm to the game. If you break it by forgetting what you're supposed to be saying or by not noticing it's your turn, you have to pick up the cards.

No Peeking:

All players must put cards into the pile by flipping them over facing outward. If a player clearly looks at their card before placing it into the pile, they forfeit the round and pick up all the cards in the center.

Special Cards:

All players must complete the following actions **immediately** when a special card is revealed, and then **SLAP** the pile. If a player does the **wrong action and doesn't correct it before** slapping the pile, or is the **last to slap the pile**, they must pick up the cards. Here are three Special Cards to watch out for, and what to do when they show up –

Moose: All players shoot an imaginary bow and arrow.

Heart: Players tip their imaginary hats.

Bear: Everyone gives themselves a bear hug.

ENDING THE GAME:

The game ends when a player with no remaining cards is the **FIRST** to correctly **SLAP** a Match or Special Card!

Introduction:

Taco Cat Goat Cheese Pizza! Keep these 5 crazy words in mind. As soon as there is a match between a card and a spoken word, race against each other to slap your hand on the Central Pile of cards. The last one to do so must take them all! You'll have to be quick to be the first to get rid of all your cards. But watch out! Your mind will play tricks on you. **This addictive game is as unique as its name. Enjoy!**

Terminology:

Draw Pile: The pile of face down cards each player has.

Central Pile: The pile in the center of the table.

Match: When a card matches the word said by a player.

Objective of the Game

Get rid of all your cards and be the **FIRST** to slap your hand on the Central Pile of cards when you see a Match or Special Card appear.

Set Up

Shuffle and then distribute all the cards evenly amongst players, face down. Players must not look at their cards while placing them in a draw pile in front of them, **face down**.

How to Play

The youngest player begins by placing a card into the center, face up, saying **"Taco"**. The player on their left then puts their card face-up on top of the previous card, while saying **"Cat"**.

Play continues in this way (going **"Taco"**, **"Cat"**, **"Goat"**, **"Cheese"**, **"Pizza"**, **"Taco"**, **"Cat"**, **"Goat"**, **"Cheese"**, **"Pizza"** ...etc.)

until the following happens:

The card **that has just been put down** matches the word spoken by the player (e.g., They put down a 'Pizza' while saying **"Pizza"**).

At this point, all players must **SLAP** their hands on top of the pile of cards in the center, and the **LAST** player to do so takes the entire Central Pile and puts them on the bottom of their Draw Pile.

Then the player who picked up the cards starts off the next round saying **"Taco"**, the next player **"Cat"**, next **"Goat"** ...etc.

In Addition:

When a player has used all of their cards, they continue to say **"Taco"**, **"Cat"**, **"Goat"**, ...etc in turn, and still have to **SLAP** the pile when a Match occurs or if a Special Card appears.

Flinching:

If any player slaps incorrectly, or even starts to but jerks it back (**"flinches"**), they forfeit the round and pick up all the cards in the center.
